☐ Specific characteristics of the material or service that limit the availability to a sole source (unique features, function of the item, etc.). Describe in detail why only this suggested source can furnish the requirements to the exclusion of other sources.

The aircraft is stricken F/A-18A coming from AMARG Section 5 reassigned to EODTEU-1 as an ordnance trainer. L-3 manages the Stricken Aircraft Reclamation Disposal Program (SARDIP) for NAVSUP (under a separate contract) and has the expertise and equipment to perform the required re-assembly service. This is a follow on contract to the SARDIP project contract authorized under FAR 6.302-1. The assembly of the aircraft must be conducted in strict accordance with drawings, specifications, and information not readily available from government sources. As program manager of the SARDIP project, L3 has immediate access to the required information.

☐ The requested material or service represents the minimum requirements of the government.
